*Above and Beyond Expectations!!!*

*Welcome to*

**RMC WORLDWIDE LLC.**

We are honored to share with you our loyal and valued Clients our latest catalogue. Which features our core Product Categories: **Law Enforcement, PPE, Uniforms, Janitorial and Hotel Supplies.** It is also accessible on our newly upgraded **website:www.rmeworldwidellc.com** and on **WhatsApp.**

We would like to take this opportunity to express our profound gratitude for your continued support over the past 32 years. We look forward to collaborating with you more closely in the coming years. As we continue to offer, Free Site Inspections, Free Sample Trials, routine Customer Service visits, which allow us to assess your needs, make recommendations for an improved work environment, efficiency, and overall cost effectiveness.

For our potentially new Clients rest assured that we have teams of experienced, knowledgeable, well-trained Professionals to manage every step of your ordering process. From order updates, pre-production samples, photos from warehouse packaging, packing list, shipping documents, after order follow ups. You will be continuously updated.

We also have this system in place at the supply end where we visit factories during production as well as inspect final products before shipment.

We will continue to work assiduously on product development, enhancements, innovations, as we keep abreast of changes in the industry by attending Trade Shows, Conventions, Seminars, and other educational development programs which assists us in achieving our goals and ensuring that we offer superior quality, durable, dependable, functional, and comfortable products that exceed your expectations, combined with phenomenal customer service and expeditious delivery time.

We hope you enjoy perusing this catalogue as well as our website. We are here to serve you.

Thank you,

*R. Rajana*

# Welcome to

## RMC WORLDWIDE LLC.

### **Company History**

At the tender age of 22 years old our Chief Executive Officer Rita Rajana registered her First Company in Saint Lucia on December 8th, 1992, RMC Limited. Armed with a Degree in Business Administration, her unrelenting ambition, her visionary aspirations, strong work ethics, and her faith in God has contributed to the success of her Company since its inception almost 32 years ago.

From its inception the Company ventured into providing the market with a full range of Personal Protective Equipment, Law Enforcement, Office Furniture, Office Supplies, Uniforms, Janitorial and Hotel Supplies. With the phenomenal success of RMC Limited in 1998 she expanded her operations further by registering another Company called Kwaliti Garments Limited. A Garment manufacturing Company producing quality products such as: T-Shirts, Polo-Shirts, Uniform Shirts, Pants and Coveralls which were sold locally as well as exported to the other Caribbean Islands. These products were produced under two Brand Names: "Leisure Wear" and "Work Wear" both registered to Kwaliti Garments Ltd.

With the tremendous success of the Garment Factory, she seized the opportunity to enhance her product range further by introducing Screen printing, Embroidery and Pad Printing to its operations to offer promotional products to her clients. She headed off to the USA to study Screen printing, Embroidery and Pad Printing. On her return she opened the most modern state-of-the-art, Printery and Embroidery facility on the Island.

In 2006 she worked assiduously with manufacturers globally to design and produce Personal Protective Equipment, Law Enforcement items, Uniforms, Janitorial and Hotel Supplies all under her own Brand Name "Pro-Tek". The "Pro-Tek" Brand Name of products are manufactured under stringent International Standards such as European and American Standard to ensure that safety compliance is met as well as: **Quality, Durability, Reliability, Comfort and Efficiency** to offer total customer satisfaction.

Due to the pandemic Management felt it necessary to register another Company **RMC Worldwide LLC.**, in the United States of America to facilitate their Export Clientele as well as to expand their operations globally.

This move has proven to be quite successful as RMC Worldwide LLC is strategically located in Florida, which allows faster shipping to their Caribbean Clients as well as access to unlimited supply of other products apart from their core products. This has allowed the Company to open a special division called "**Special Projects**" to satisfy the needs of their clients for products they do not usually supply for example,

setting up a Kitchen, Laboratory, Agriculturally based Projects, Medical Unit and much more. This also includes Special Funding for Governmental Projects from Institutions such as The World Bank and P.A.H.O to name a few.

The Company has forged more distributorships for several other reputable Brand Names such as 5.11, Bates, Proper, Red Kap, Horce Small, Maglite, S.W.A.T and Edwards to name just a few. The Company will continue to expand its product base to satisfy its clients as the demand increases.

Throughout the years The Company has taken its social responsibilities seriously by giving back generously to their Clients, Institutions, Clubs, worthy causes by donations, sponsorships, especially during disasters. This charitable nature will continue in the future.
